

Bintree Relief In Need Charity

Charity No. 211441

Bintree Relief In Need Charity is our local charity that may be able to offer financial support to residents of the Parish in times of need.

The Charity holds around £300,000 in cash, investments and land for which we receive rental. The return on these assets is used for outgoings such as an annual fuel grant to eligible village residents to assist with the cost of winter fuel. Last year 340 households benefited from this grant. The Charity has also made contributions in time of need for assistance in travelling to medical care, household modifications to aid independent living and so forth.

The Charity's board consists of a Chairperson and 3 Trustees, each serving for a period of 4 years. Meetings are held locally, every 3 months and are 1 – 2 hours long. Election of officers takes place by rotation at the Parish Council meeting at the end of May. We are always on the lookout for residents who wish to become involved as volunteers.
